- ✓ Team Building & Leadership
- ✓ Adaptability
- ✓ Interpersonal Communication
- ✓ Time Management
- ✓ Critical Thinking

RELEVANT PROFESSIONAL EXPERIENCE

Learning Innovation and Technology Associate LEAP AFRICA

Mar 2024 - Present
Lagos, Lagos State

At LEAP AFRICA, a youth-focused leadership development organization committed to raising leaders who will transform Africa; through interventions for young people, that bridges the gap in five areas: Education, Entrepreneurship, Employability, Active Citizenship, and Health and Wellbeing.

- Contributed to course and curriculum development initiatives.
- Oversaw the organization's learning management system (LMS), ensuring its smooth operation.
- Led learning activities for participants, providing effective guidance and support.
- Facilitated programs focused on IT, eLearning development, and Leadership Accelerator Programs.

IT Specialist IBNAHMAD UNIQUE GLOBAL ENTERPRISES

Aug 2021 - Dec 2023
Bida, Niger State

At IBNAHMAD UNIQUE GLOBAL ENTERPRISE, a dynamic IT firm specializing in comprehensive IT solutions including computer troubleshooting and repair, software/operating system installation and upgrades, internetworking, web development services, and IT student training, I played an instrumental role in driving the enterprise's development and advancement.

- Provided prompt and timely assistance to clients, addressing their needs efficiently.

- Conducted daily computer repairs for numerous clients, ensuring their systems were restored to optimal functionality.
- Played a crucial role in the management and upkeep of the enterprise's IT infrastructure and equipment.
- Facilitated quarterly training sessions for numerous IT students, imparting valuable skills and knowledge.
- Actively participated in a variety of web development projects, contributing to their successful completion.

Assistant Lecturer and IT Officer (NYSC)

Kaduna Polytechnic, Kaduna

Mar 2019 – Mar 2020

Kaduna, Kaduna State

During my tenure at Kaduna Polytechnic, a renowned institution providing formal education and technical training, I enthusiastically shared my extensive academic expertise in computer science with students. My dedication resulted in significant advancements within the computer science department, including the transformation of a non-functional computer laboratory into a fully operational and standard facility.

- Collaborated with the head of department to enhance the computer laboratory by increasing the number of computer systems, thereby improving the quality of practical classes for students.
- Delivered lectures on various computer science courses, enriching students' understanding of the subject matter.
- Conducted practical sessions for students covering programming, computer hardware, and maintenance, providing hands-on learning experiences.
- Oversaw the management and maintenance of the department's IT infrastructure, ensuring smooth operations.
